HYDRAULIC FLUID

Cenex® tractor hydraulic fluids are designed for the high demands of high-value machinery, powering your transmission hydraulics and enabling precise operations.

GREASE

Ensure your machinery operates flawlessly, even under the most challenging conditions—with Cenex® premium equipment grease.

ENGINE OIL

No matter what conditions you face, from long hours of operation under heavy loads to dusty, dirty and cold weather conditions, Cenex has the heavy-duty engine oil to meet your needs.
